10.0 Governing Law

Notwithstanding from where you access SMARTRobie® provided by TradeVSA, you agree to these Terms and Conditions and any disputes arising hereunder shall, at all times, be governed and construed in accordance with the relevant laws of Malaysia. Further you agree to submit and be bound by the exclusive jurisdiction of the courts of Malaysia.

TradeVSA makes no representation that the materials, information, functions and/or Services provided are appropriate or available for use in jurisdictions other than Malaysia.

11.0 Advisory Strategy

The Pentagon Guider algorithm undergoes a rigorous method of back testing to ensure its reliability and SMARTRobie® app is developed following the strict governance and regulated guidelines.

TradeVSA takes all the necessary care and due diligent to design SMARTRobie® to cater for different Risk Profile of our Users. The following is sample of the investment advice base on the risk profile of User

Risk Profile	Definition	Investment Advice
Beginner	<ul style="list-style-type: none">• Knowledge: Limited understanding of financial markets and investment products and strategies• Experience: Little to no hands-on experience on trading/investing• Risk Tolerance: Low-to-Moderate and not comfortable with market fluctuations.	Pentagon Guider®, Robie FA Collection

Intermediate	<ul style="list-style-type: none"> • Knowledge: Solid understanding of financial markets and investment products and basic trading strategies • Experience: Moderate amount of hands-on experience on trading/investing • Risk Tolerance: Moderate and willing to take calculated risk based on facts, back testing research and analysis. 	Pentagon Guider®, Robie FA Collection, Trending Stock, Hot Sector
Advanced	<ul style="list-style-type: none"> • Knowledge: Solid understanding of financial markets and investment products and basic trading strategies • Experience: Moderate amount of hands-on experience on trading/investing • Risk Tolerance: Moderate and willing to take calculated risk based on facts, back testing research and analysis. 	Pentagon Guider®, Robie FA Collection, Trending Stock, Hot Sector, Premium Intraday

Note: If a Beginner User is trying to access Advanced features like Premium Intraday, SMARTRobie® in-app alert/notification will notify Users that they are using Advanced investor features.

The User of SMARTRobie® shall declare his/her own Investment profiling which is made available in our SMARTRobie® Mobile Application. This declaration places the responsibility of truthfulness upon the User.

TradeVSA shall not be held responsible to any User for any false declarations made by the User.

Any changes or amendment on the advisor strategy to be communicated to all Users via email, in-app notifications or other similar channels. In addition, TradeVSA/SMARTRobie® must disclose any potential risks from these new changes stemming from the use of the advisor strategy or future changes to the Pentagon Guider® Algorithm as required by the regulatory bodies.

Note: While great care is been taken in our back testing and forward testing of the Pentagon Guider® algorithm system, these outcome results are generally tested in different trading environments compared to actual trading, which is subject to market volatility. As such, past performance from back tested results cannot be used as a guide or indicator for future performance.

Trading in financial markets involves substantial risk, including the potential loss of capital. It is important to understand that all trading strategies carry a level of risk.

12.0 Availability of Services and Downtime/Service Level Agreements

Upon relying on our infrastructure provider, AWS, which offers 99.90% availability, we are committed to ensuring that SMARTRobie® is available 99% of the time excluding scheduled maintenance. If our service availability falls below this commitment, we will compensate our Users in the form of credit points. For every one-hour unavailability in SMARTRobie®, we shall compensate 1 credit points (or RM0.10).

13.0 Use / Limitation of Algorithm

We disclose the following use/limitation of Pentagon Guider® Algorithm in SMARTRobie® app.

- Reduced Effectiveness in Trendless Individual stock chart and overall Index Stock Markets: Without clear trends, it will affect the responsiveness of the Pentagon Guider® System in plotting the RED and GREEN Pentagon indicators.
- Increased Signal Noise: Increased noise/randomness in daily or weekly timeframes complicates analysis in trendless conditions.
- Stock charts that have Insufficient Volume: Example, trading with continuous bar of zero volume will give raise to inaccurate Pentagon Guider® System indicators.
- Stock charts with less than 6 months period of trading bars - provide insufficient data for Pentagon Guider® System Algorithm to compute/calculate.

SMARTRobie® also employs sentiment analysis for news headlines to enhance decision-making, making it more robust and relevant for Users.

14.0 Risk Disclosures

Stock Market Adaptability Risk: Pentagon Guider® System will have limitation to adapt quickly to sudden, non-trend-based stock market movements, which could lead to potential losses.

15.0 Direct Charges (Credit Points)

Upon successful account creation, Users will receive complimentary 100 credit points. Each usage will deduct 2 credit points or depends on the SMARTRobie® features. If Users need additional usage, they can extend their subscription for RM9.90 per month, subject to charging rate changes based on business needs. Free usage is on weekend (Saturday and Sunday). However, the free credit entitlement and free usage are subject to changes in future and will be communicated to Users via in-app notification, email, etc., should there be any changes in the direct charges. Subscription paid are non-refundable.

All complimentary and/or free credit points, including the initial 100 credit points awarded upon account creation, shall have a validity period of twenty-four (24) months from the date of issuance. Any unutilized free credit points remaining after this twenty-four (24) month period shall automatically expire and be forfeited. These complimentary credit points have no cash value, are non-transferable, and cannot be exchanged for cash or any other form of credit.
